ORDER:

The Chief Engineer, NSRS Srisailem Project, Hyderabad has informed that the works ‘ Distributary System of High Level Canal of AMR SLBC Project” sanctioned vide G.O. Ms. No. 39, I & C.A.D. Dept., dated 23.3.2004. were nearing to completion. Water was released to irrigate an ayacut of about 35000 acre in Kharif, 2006, 25,000 acre in Rabi, 2006 and 46,100 acre in Kharif, 2007. During the release of water, the water from the tail end of minors and sub-minors of distributaries was flowing on the roads and damages were caused to the existing roads. Further, the low level causeways were also damaged due to release of water for feeding of tanks . Hon`ble Minister for Home and other Public Representatives have represented that the villagers are skidding on the causeways and suffering from serious injuries and requested to improve the roads and causeways which are lying in command area of AMR SLBC Project from AMR SLBC Project funds.

2. The Chief Engineer, NSRS Srisailem Project, Hyderabad has therefore requested the Government to accord administrative approval to the above works for construction of roads and culverts lying in the command area of AMR SLBC Project for an amount of Rs..610.89 lakhs under SCP & TSP Components of budget provision of AMR SLBC Project.

3. Government, after careful examination, hereby accord Administrative approval to the following works for construction of roads and culverts lying in the command area of AMR SLBC Project for an amount of Rs.610.89 lakhs from the budget provision of AMR SLBC Project.
